

Recruiting: Child & Adolescent Psychiatrist

Who: Child & Adolescent psychiatrist with independent CPSO licence wanted. Adult general psychiatrists may also be considered. Awesome people preferred!

What: Our patients under the age of 16 are looking forward to you joining our community on a full time, permanent basis. We have amazing resources at our disposal including social workers, psychiatric assessment nurses (PAN) and pediatricians who go above and beyond. CKHA's pediatric team is fully supportive of dedicating a bed to your patients with short-term stay needs.

Where: Minutes from the hospital, several clinic spaces are available to you at no cost. Once you've toured the options, you can choose which one(s) feel right to you. Staff, supplies, utilities, IT services and equipment, EMR and private office space including parking are all being offered free of charge.

Look us up on a map! We aren't called the banana belt of Canada for nothin'. Our community ranked 27th best in all of Canada by the prestigious MacLean's Magazine—so even if you don't trust us yet, they're a solid source of information.

When: Ready when you are!

But wait...Show me the Money!

Referrals will flow easily—you'll be advertised (no charge) via the local news agencies, celebrated at the Family Medicine and Pediatrics department meetings, and added to all GP office referral listings. Linck and Access Open Minds will be strong strategic partners and their referrals will be plentiful. Your clinic will be as busy as you want, as soon as you want.

There are endless ways to supplement your typical practice. Earn some extra dough by becoming an Adjunct Professor with Western University and teach the next generation of medical students and residents your craft. Passionate about surgical procedures? Offer up your free time to the OR as a Surgical Assist and keep all of the FFS billings. Willing to provide CPSO supervision for a colleague with a restricted licence? CKHA will compensate you \$250/month for your assistance.

You'll also have access to Green Shield Canada health and dental group benefits and complementary EAP counseling for your entire family. Generous financial recruitment incentives (\$\$\$) are currently being offered for fulltime recruits. I will happily provide relocation assistance to you and your family. From helping you find housing, clinic space, childcare or even a soccer league for your kids, I'm here to assist. A hop, skip and jump from Detroit's international airport equals major savings on all of your travel and is a way less chaotic option than Toronto's YYZ.

Plus, the cost of living here is lower than most areas, so you get to keep more of what you earn. Check out www.realtor.ca to see what \$600,000 can get you in Chatham, London and Mississauga to gain insight into the standard of living you will enjoy here.

How: You have nothing to lose! Just email your CV to me (Jenn Chapple, Medical Affairs Specialist at jchapple@ckha.on.ca) and let's get the conversation started. For updates on all of our schenanigans, please follow our Facebook or Instagram @ckhadocs!

The Fine Print: All job offers will require compliance with our COVID-19 Vaccination Policy for proof of full vaccination unless provided with a medical exemption or an accommodation under the Ontario Human Rights Code.
